Profile

Computer Science graduate with practical knowledge of Python, SQL, DBMS, Excel, Power BI, HTML, CSS, and JavaScript. Developed academic projects involving data analysis, API integration, database management, and responsive web applications. Quick to learn new technologies, enjoy solving problems, and looking for an entry-level role where I can build my skills while contributing to the team's success.

Education

B.Sc (MSCs), Vignana Jyothi Institute Arts and Science 2023 – 2026
Hyderabad, India

Key Skills

- | | |
|--------------------|----------------------|
| • Python | • SQL |
